SUCCESS AND FAILURE.

There are some men whose failure to succeed in life is a problem to others, as well as to themselves. They are industrious, prudent and economical; yet after a long life of striving, old age finds them still poor. They complain of ill luck. They say fate is always against them. But the fact is they miscarry because they have mistaken mere activity for energy. Confounding two things essentially different, they have supposed that, if they were always busy, they would be certain to be advancing fortunes. They have forgotten that misdirected labor is a waste of activity. The person who would succeed in life is like a marksman firing at a target; if his shots miss the mark they are a waste of powder. So in the great game of life, what a man does must be made to count, or it might almost as well have been left undone. Everybody knows some one in his circle of friends who, though always active, has this want of energy. The distemper, if we may call it such, exhibits itself in various ways. In some cases the man has merely an executive faculty, when he should have a directive one; in other language he makes a capital clerk of himself when he ought to do the thinking of the business. In other cases what is done is not done either at the right time or in the right way. Energy correctly understood, is activity proportioned to the end.

THE western correspondent of the New York *Tribune* writes:

"The temper of the Kentucky Democracy is still bitter and intolerant. To be a Republican is to side 'against the South,' and to be guilty of treason to one's section. Thus Mr. Bristow is told by the *Courier Journal* of this city that he has 'lost standing at home' because he made a speech at Indianapolis the other day—a very moderate-toned speech, too, entirely free from violent partisanship. But it was a republican speech, presenting the issues upon which the Republican party goes before the country in the present canvass, and so this representative Southern newspaper proceeds to rebuke him for 'arraying his own section of the country against the North,' and, with true Southern intolerance, at once attributes unworthy motives to him. The essence of Kentucky Democracy is pure sectionalism. Republicans are regarded as enemies of the South and Northern Democrats as useful allies. If there is any sentiment of Nationality, it is very vague and of no practical influence on political action. Kentucky, under the control of a powerful Democratic majority, is as much an integral part of the Solid South as Georgia."

THE New York *Times*, giving the result of a tour of their reporters among the merchants of that city, in the various departments of trade, reports that, scarcely without exception, they represent a decided improvement in business, and feel greatly encouraged by the constantly increasing evidence of a return of confidence and better times. Most of the merchants report that their trade thus far has been much larger than it has been during any of the preceding four years.

GOV. ROUTT.

The republicans of Illinois, and of Central Illinois in particular, are doubly pleased with the result of the Colorado election, because their former colaborer, John L Routt, was so triumphantly elected governor of the infant state. And while Gov. Routt never resided in Decatur, the people hereabouts feel as though they almost owned him, because the elegant lady who bears his name and adds to the completeness of his home lived for years in our midst.

Knowing both of them so well, and respecting them so highly, the REPUBLICAN stretches its hands across the great plains to tender its congratulations to Gov. and Mrs. Routt.

THE following are some of the mottoes used in democratic processions in September, 1861 in New York city, under the auspices of the New York state central committee, of which S J Tilden was president

"A despot has his paradise (meaning Lincoln) and liberty has her avengers."

"American soil scourged by an unconditional despot in A. Lincoln."

"No more victims for slaughter peas—not a man—not a dollar."

"If Seward 'touches his bell' again, the people will stretch his neck."

"The constitution we will obey, but arbitrary arrests we will resist unto death."

"The people are ready to take vengeance on the advocates of civil war."

"Lincoln has murdered three white men to free one negro."

"Free ballots for *free bullets*. Crush the tyrant Lincoln, before he crushes you."

"Resistance to tyrants is obedience to God."

"Down with Bastiles."

The confederate papers are frantically calling for a combination of the "Solid South" to defeat Gov. Hayes and put down the republican party. The same spirit animates them that filled the gentle secession bosom of Samuel J. Tilden when he marshaled the great peace surrender meeting in New York City who paraded under the aforesaid mottoes and banners.

THE Democrats who whistled to keep up their courage yesterday, when the first news came from Colorado, can do nothing more than pucker their mouths to-day. The mess dished up for them yesterday by the Chicago *Times* has soured on their stomachs, and they think a good many profane thoughts, whether they utter them or not.

TWO THOUSAND majority, the whole state ticket and a two-thirds majority in the legislature is pretty good for the Republicans of a bran new state. 'Rah for Colorado! Bully for John Routt!

HERE'S to Colorado! May she never regret the *Routt* she has taken!

CINCINNATI, Ohio, Oct. 4—Wm. H. Harrison, grandson of the former president of the U S., yesterday entered the residence of John H. More, Boone co., Ky., made a proposal of marriage to Miss More, and upon being rejected, stabbed the lady nine times in the breast and face. It is thought she cannot recover.

INGERSOLL AGAIN.

On Tuesday Col Ingersoll addressed a monster meeting at Greenfield, Ind., and said some new things which are worth preserving in print. The Lumbard Glee Club having opened the exercises with one of their soul stirring songs, Col. Ingersoll proceeded as follows

LADIES AND GEETLEMEN—Nobody ever could sing and nobody ever did sing like the Lumbards in favor of the Democratic party (Applause) Music bears no relation to political meanness of any kind. (Applause) Every man that is a Democrat is a Democrat because he hates something, every man that it is a Republican is a Republican because he loves something. Democracy of the modern kind is built upon envy, upon hatred, and upon ignornance and upon treason, Republicanism is built upon a love of liberty, upon a love of justice, upon a love of country, and upon the highest, the holiest and the noblest aspirations of the human heart. If you wish to make a man a Democrat appeal to his envy; if you wish to make him a Democrat appeal to his prejudice, appeal to his ignorance, appeal to his hatred, but if you wish to make a man a Republican appeal to his brain, appeal to his heart. I am a Republican. (Applause.)

WHY HARRISON SHOULD BE ELECTED.

I am in favor of the election of General Ben. Harrison for Governor of the noble State of Indiana. I believe a State like this should have a man of ability, a man of education, a man of refinement and of culture. I do not believe there is any necessary connection between dirt and statesmanship. (Laughter) I do not believe that a man is fit for Governor of Indiana simply because his clothes do not fit him. (Laughter.) I do not believe there is any necessary connection between lofty sentiment and uncleanness. I do not believe that in order for a man to be honest he must spit upon his shirt-bosom. (Laughter) I do not believe that honesty dwells with ignorance. I do not believe that patriotism lives with filth. I believe a man can be a patriot and wear decent clothes. I believe a man can be a statesman and comb his hair. I believe a man can be a patriot and keep clean. In other words, I believe soap is the enemy of Democracy, and a great civilizer. (Laughter.) The time has gone by in this country when a man can be popular simply by being sloven. That time has gone by. No matter how poor a man is, let him look as well as he can. No matter how unfortunate he may be, let him keep as clean as he can. No honest, decent man looks with contempt upon poverty and misfortune, but for the rich and fortunate to go unwashed, thinking that the road to popularity is a dirt road, is a mistake in this century. That day has gone by.

Indiana wants for her Governor a man who is a fair representative of her intellience, of her patriotism, of her culture and of her honor. The State of Indiana cannot afford to honor a man who has failed to honor her. The State cannot afford to elect a man who failed to defend her in the hour of need. The State of Indiana must elect a man who defended the State in time of war. ("Amen.") There may be another war. There may be a time when with white lips you will ask the young men, your friends and your neighbors, to enlist. There may be a time when, with trembling voice, you will plead with the strong and brave to take the musket and the sword to defend the firesides of Indiana. How can you ask this, if you fail to honor in a time of peace those that honored you in a time of war? If Indiana forgets the scars upon the bodies of her heroes the time may come when her heroes will forgot her. The heroes can do without Indiana, but Indiana never will see the time that she can do without courage, without patriotism, and without heroism.

I am in favor of the election of Ben. Harrison, because he is a Republican. (Applause.) I am in favor of the Republican party because it is the party of reason. The Republican party favors no mob. You never heard of such a thing, and you never will, as a Republican mob. You never heard of the Republicans getting together and assaulting a Democratic speaker. You never hear of Republicans throwing stones through cars. You never hear of Republicans firing revolvers into crowds of men and women. You never heard of such a thing, and you never will. And if any Republican does it you may swear he has been converted from the Democracy within twenty-four hours, and acted from the force of Democratic habit.

Now then, my friends, we ought to recollect, and never should forget, what condition our country was in when the brave old republican party was born. The republican party said slavery has gone far enough; the hounds of slavery, with their loose lips dripping human gore, shall not go upon another territory of the United States. That is the reason the republican party was born, and the hounds did not go into another territory. We did stop them, we did save these territories. They are dedicated to honest labor, they are dedicated to human advancement, and the republican party stopped the existence of slavery in the United States. But that was not enough. The republican party had said "The free voters of this country shall not be blood hounds, the voters of this country shall not pursue men who are simply trying to gain their freedom. If you want to catch your slave catch him yourself. We are not in the dog business. Examine our necks and you will find no dog collar upon us" The republican party after it had stopped the spread of slavery said: "Slavery shall be extirpated from American soil" It was the grandest declaration ever made by any party in the world. (Cheers) Now when we elected Abraham Lincoln—and I say now that he was the grandest man ever elected President of the United States (Cheers) I except none—he was the greatest man that ever sat in the presidential chair, and when he was elected the democrats of the south said, "We will not stand it," and the democrats of the north said, "You ought not to stand it." (A voice 'that's so.') The democrats of the south said, "We will break up this Union," and the democrats of the north said, "There is no power in the government to prevent your breaking up this Union." The democrats said, "The general government has a right to defend itself from England, France, Germany, but if any of the boys or girls wish to cut the old man's throat he has no right to object." I believe that the right of self defense inheres in every animal and in every government, and in every insect, and I think that everything that lives, moves and has a being, has the right of self defense. And to say that the government of the United States has no right of self defense is to put that government below the very lowest created animate thing. And yet that was the doctrine of the democratic party. And they believe in the doctrine of state rights to-day just as much as they did then.

Speaking of the present attitudes of the two parties, he said. "The republican party is going forward still in the grand march of human progress in spite of them, and in order to keep within they have got to tag us. It hasn't taken notice of the clock of eternity; it don't see that the hour hand or the minute hand or the second hand has made a movement since 1860. They think time is a democratic dumb watch. The history of the democratic party is an epitaph, and an epitaph is always a lie, or nearly so. (Laughter) I tell you they have no principles. In 1864 they nominated a major general for the sake of peace. And then, in the name of free trade they nominated Horace Greeley, that f'king of protectionists. Yes sir, and Horace Greeley spent forty years of his life cursing the democratic party. He had ransacked the languages of the world to find words mean enough and low enough to express his contempt, his hatred, his loathing for the democratic party. And he did find mean words. He found words so mean they were almost lousy, and yet for the sake of success they made him the bearer of their standard, and they killed him. (Laughter) No decent man can take that dose and live." (Laughter.)

SHELBYVILLE, IND., October 3.—As the Greensburg accommodation, last evening, was passing through St. Paul, a small station on the Indianapolis, Cincinnati and Lafayette Railroad, having on board several hundred men, women and children, en route to Greensburg to attend the Republican rally, the train was stoned by a Democratic mob, and several persons were knocked down, and several windows broken. No very serious damage was done, however, but this was not the fault of the Ku Klux, for they tried to hit every man who wore a Republican uniform. This outrage, however, proved to be but a small affair when compared with the dastardly and fiendish acts of these ruffian reformers as the excursionists were returning home on the regular night train due at Greensburg at 9.40. As the train of seven coaches, three of which were palace cars, had passed out of St. Paul, a regularly organized mob of a hundred and fifty Democrats assaulted the train with bowlders, clubs, eggs, pistols and gun shots, and completely demolished the windows in two cars, and all the cars having more or less windows broken. Large rocks were thrown into the cars, striking men, women and children indiscriminately, and a bullet came within three inches of striking a young man in the head. The scene among the lady passengers beggars description. They ran to and fro, pleading for protection, and many with their children in their arms thought to avoid the danger by getting under the seats. It created such a panic among them that many ladies were only kept in the cars by having the doors finally closed.

An examination of the train revealed the fact that the shots were not fired at random, as a number of bullets were buried in the wood very near the window. All along the cars were seen the marks where large bowlders had struck, which, had they come in contact with a skull, would have caused instant death. The stench from the eges was so obnoxious in one of the cars that the passengers had to abandon it. An effort was made to capture these Ku-Klux villains, but they had gotten too far. The only provocation for this dastardly deed was the fact that the train was principally filled with Republicans. This is only one out of the many outrages that are being perpetrated by these self-styled reformers daily in this county, and we yet have confidence that our good people of the two parties will arise in their might and rebuke, yes, bury this infamous Democratic party.

A leading New York grocer, H. K. Thurber, says he has been at great pains to ascertain just how business is throughout the country, and has come to the conclusion that "the farmers and merchants are much better off than they have been for some years. They are richer, strange as the assertion may seem to some persons." It is not at all surprising upon second thought, that such should be the case. Three years of economy might well produce that result, notwithstanding such economy is dubbed "hard times."

More and More.

COLORADO DOES HER WHOLE DUTY.

And Comes into Miss Columbia's School With a Clean Face.

GEORGIA HAS A "QUIET ELECTION."

And a Democratic Victory, of Course.

A KENTUCKY TRAGEDY.

DENVER, Oct. 4—Official figures are coming in, and show still heavier republican gains and majorities, than last night's dispatches indicated. Arapahoe county gives the republicans 420 majority; Boulder county 419, a gain in the two counties of 1,152. The democratic loss in Los Animas county, their strongest county, will be twenty-five per cent more than before estimated, and they lose member of the legislature in that county. The democrats concede the state to the republicans, who claim 2,000 majority. The legislature will be two-thirds republican in each house.

Further returns do not materially change the figures given on the general result in this state. The democrats here concede the election of the entire republican state ticket: governor, lieutenant governor, secretary of state, auditor, treasurer, the three judges of the supreme court, congressman, and a majority in both houses of the legislature. The republicans claim twenty of the twenty-six senators, and two-thirds of the lower house.

Washington, Oct. 4.—Judge Edmunds, secretary of the union republican congressional committee, received, the following from Denver, late this evening:

The republicans have carried the state ticket, member of congress, and three-fourths of the legislature. This gives us two United States senators, and the electoral vote for Hayes and Wheeler This is reliable and positive.

Signed J. C. WILSON.
Chairman Rep. State Cent. Com.

CHICAGO, Oct. 4—E. A. Woodward, late partner of Wm. M. Tweed, for whom a large reward has been offered in New York, was arrested here this afternoon, at the Palmer House, where he was registered as A. Wallace, Liverpool. He was disguised, but was recognized by a New York gentleman and pointed out to the police, and locked up at the central station, where he will be retained until further steps are taken by the New York authorities. He was very uncommunicative to reporters but said to Police Superintendent Hickey, that he had just arrived from England, by way of Savannah, and that he had not seen Tweed for six years.

A man registered as J. H. Blassett, was with him, at the time of his arrest, and remains with him at the station, by permission.

TERRE HAUTE, Oct. 4.—A peculiarly sad accident occurred this afternoon on the outskirts of the city. Several boys were gathering walnuts, when two other playmates came. One had obtained possession of an old rusty pistol. They suggested shooting at a mark. One of them, Frank Walker, twelve years old, held a tin can on the end of a pole, which was shot at by the others. Finally, the pistol would not work. A boy named George Julian was examining it, when it was accidentally discharged, the ball entering the right eye of Walker, who died two hours afterward.

DAYTON, O., October 4.—A man was found this morning in a freight car at the Dayton and Michigan depot, in this city, in a dying condition from exposure and want of proper nourishment. He was taken to the Station House and stimulants administered, but he was too far gone to be restored, and died in half an hour. He was evidently a foreigner and in search of work. All that could be learned from him was that his name was Charles Hiller, and that he had recently been at work somewhere in Minnesota. His age was about forty years.

SAN FRANCISCO, October 4.—The funeral of James Lick took place here to-day, under the auspices of the Society of Pioneers. Many military, civic and educational bodies were represented. Services were held at Mechanics' pavilion, which was crowded with people. The streets along the line of march of the procession were thronged with people.

SAN FRANCISCO, Oct. 4.—A Nevada City dispatch, says all the defendants in the Truckee Chinese murder cases, have been discharged and indictments dismissed, and public opinion sanctions the verdict.

AUGUSTA, Oct. 4—The election passed off quietly here. About 2,800 votes were polled, of which Col. Quett, democrat, received 2,200, and Norcross, republican, 600

Savannah, Oct. 4—The democratic majority in Chatham Co. is 920, Sumpter county, 500, Pierce county, 180—Everything passed off quietly.

Atlanta, Oct 4—The election was quiet. Returns indicate a light vote—The democratic majority is large.

The democratic ticket was elected in this county by 1,100 majority. The legislative ticket was reduced to 900 majority by an independent ticket. Colonel Quett's maj. in this city is 1,500

Macon, Oct. 4—The election was quiet. The vote is small, but largely democratic The republicans made no fight in most of the counties except for governor No disturbance is reported anywhere A more peaceable election was never held in the State

BLOOMINGTON, ILL., October 4.—To-day there has been a great deal of political enthusiasm in Bloomington over the Colorado election, and principally for the reason that Gov. Routt was for a number of years a resident of this city. He was County Treasurer for three successive terms, and left Bloomington to accept the position of Second Assistant Postmaster General of the United States. Gov. Routt was always a man who claimed the entire respect and admiration of the citizens of Bloomington, and while he was a resident of McLean county he was considered one of her most influential and upright politicians.

BOSTON, Oct. 4.—The movement to nominate Judge E. R. Hoar, in the seventh congressional district, to run against B. F. Butler, as Independent candidate, was consummated to-day, at a meeting of prominent residents of the district. Judge Hoar accepts the nomination.

SAVANNAH, Oct. 4.—Yellow fever interments, 17.

QUEBEC, Oct. 4.—The ship laborers held a meeting and voted $300 for the yellow fever victims at Savannah.

..Newell & Hammer have a full supply of choice fruit and vegetables

..For choice butter and fresh eggs call on Bendure & Co, Prairie street

..There is some prospect that the Selden Irwin Combination will be here next week, to occupy the opera house during the firemen's tournament — Should this fine company pay us another visit they will be greeted by good houses.

..D M Barnett & Co are in receipt of fresh vegetables and choice fruit daily, and keep a full line of staple and fancy groceries, which they always sell at bottom figures Call and see them.

..The firemen were out in full force last night, practicing for the tournament next week. Our boys do not propose to have all the prizes taken by companies from abroad.

.Best sweet potatoes and other vegetables, at Billy Niedermyer's.

..H. Post is closing out his entire stock of stationery, consisting of ink, pens and paper, at less than first cost.

..Nobody in want of boots or shoes should fail to examine the superb stock now on hand at the emporium of J. P. Marsh, in opera block.

..The grand ague cure of the age is Dr. J. S. Hand's Hepaticon All druggists sell it.

..The best white shirt in the market, at B. STINE's. oc3-deod 1m

..The hard-featured female who has been lying around in the park for the past week or two, has been finally set up.

. The question at issue is not Republicans for four years or Democrats for four years. It is the direction of the national policy by the friends or the foes of the political principles that prevailed in the war.

.."The Devil is always busy counterfeiting what is good. Some young converts turn out bad. Well, some people start to be Democrats, and they turn out bad; and sometimes people who were Republicans turn out bad."—[Moody's first Chicago Sermon.

..The Boss Chinchilla Overcoat, elegantly trimmed and made up, at
oc3–deod 1mo B. STINE'S.

..The statue which surmounts the fountain in the park was placed in position to day A large crowd has been gathered about the place all day to witness the operations of the workmen.—We are glad to observe the manifestation of so much interest in this work of public improvement. The nearer it approaches completion the more entire is the satisfaction with it.

..The Romans knew what they were about. A wise man was Sapis, and soap was Sapo. Wisdom has reached its climax in this generation in B. T. Babbitt's Best Soap.

..We are sorry to learn that Mrs. Forstmyer, wife of our efficient Supervisor, is quite sick, and fears are entertained that she may not recover.

..Dr. J. Brown and Capt. T. J. Abel address the citizens of Maroa this evening. They are looking for a big crowd, and will not be disappointed.

.."Bob" Ingersoll is giving the democrats a more bitter dose than ever this week. We reckon they would like to hang said "Bob" about this time. The way he handles old "Blue Jeans" and his party in Indiana, is a caution to the wicked

.The Firemen's Tournament on Tuesday of next week.

..The church prayer meetings were well attended last night.

..The cellars under Powers' Block, at the corner of East Main and Water streets, are to be drained into the sewer recently laid on the north side of the first-named street.

..The average Democrat is waiting patiently for old Storey, of the Chicago *Times*, to figure out a Democratic victory from the Colorado election. He managed to make the Maine and Vermont elections a decided success for the Democracy, and now let him try his hand at Colorado.

..Capt. J. P. Moore, late cashier of the Decatur National Bank, will lose his vote at the November election, as he is about to remove to Terre Haute.

..Republicans living in this vicinity who may contemplate changing their residence from one ward to another this fall, should either move at once or remain where they are until after the election, as the law requires a residence of thirty days in a precinct as a qualification to vote.

Notice to Teachers.—The re-organization of the Macon county Teachers' Association will take place at the court house, on Saturday, Oct. 7th. Some interesting exercises are expected. A full attendance of the teachers is desired.

SERENADE.

BY MALCOM TAYLOR.

Pleasant be your visions love!
Day while Eve did dew-tears weep,
Dying peaceful as a dove,
So love lulled sink you to sleep,
Heart unsullied, by your dream
Sparkling clear and flowing free,
Like the merry mountain stream
Running to its parent sea

Pleasant be your visions, love!
Be your way of thoughts as true
As that which does Cynthia move
O'er in realms of ether blue,
Smoothly, swiftly may hours steal,
Like the cloud-hosts by her haste,
May thy fancies light reveal
As the skies, a visage chaste.

Pleasant be your visions, love!
Loiter long in land of dreams,
And as o'er its fields you rove,
May you rest where gladness teems;
Sleep on, dream on, darling, till
You are softly, gently stirred
By the warbling waking-trill
Of some sunlight-greeting bird

PERSONAL MENTION.

Wm J Quinlan and Geo S. Durfee, with their families, left to day at noon for the Centennial, and will be absent about two weeks.

Mr. Peter Bohrer, of Sherman, Texas, is in town on business He represents the crops as being fine in the region from which he comes

We learn from Dr R. L. Walston, who has been called to attend the case, that J. B. Hatch, of Taylorville, who was formerly a citizen of Decatur, in quite sick at his home. His condition, though somewhat serious, is not thought to be immediately dangerous.

Mr. George W. Bright has returned from his trip to the Centennial. Like all others, he represents the show as beyond description

Ho! for Terre Haute!—By reference to a notice which appears in another place it will be seen that an excursion train is to be run from Decatur to Terre Haute on Saturday next, it being the occasion of the grand Republican rally at that place, at which time Hon. R. G. Ingersoll, of Peoria, and General Daniel E. Sickles, of New York, will address the people. This is to be one of the largest campaign rallies in the Hoosier State, and those of our people who can will do well to avail themselves of this opportunity to see how they do things in Indiana, and according to present advices, this will be the nearest point at which Col. Ingersoll will speak during the campaign. Immediately after the Indiana election he goes to New York state, where he will be kept hard at work square up to the November election.

A Good Joke.—A short time since, Sup't Gastman addressed a postal card to a book dealer in New York, asking for a catalogue of books advertised by said book dealer, subscribing himself "E. A. Gastman, Sup't Public Schools, Decatur, Illinois"

Yesterday the catalogue came by mail addressed as follows: "T. A. Gusthering (as near as can be deciphered), Supt. Pub. Schools, Decatur, Ill."

We thought the joke a little too good to be lost, and, therefore, with the Professor's consent, we will give our readers a chance to have a little fun at his expense.

Unfortunates.—Yesterday afternoon Wm. Unser and John Ryan imbibed "benzine" until under its inspiration they concluded that they owned the town, and in trying to spread themselves over as much of the domain as possible they got in the way. This led to the interference on the part of the police, and the two worthies were circumscribed to the narrow limits of the calaboose, where they passed the night. This morning they were brought into Justice Albert's court, where they deposited about five dollars each for the benefit of the city.

Everybody should go into Curtis & Righter's jewelry store and look at their stock and prices before buying anything in their line of trade. Their stock is the largest in town. oc5-d3d

Excursion to Terre Haute.—The I., D. & S. R. R. Co. will run an excursion train from Decatur to Terre Haute, on Saturday, Oct. 7th, leaving here at 7:00 A. M., and returning after the torchlight procession and speaking in the evening. Fare for the round trip, $1.50.
GEO. E. LARRY, Agent.

Housebreaking at Boody.—Yesterday afternoon, in the absence of the family, the dwelling of Mr. Henry Miller was entered by thieves, and several articles of clothing and jewelry were taken away. A suspicious looking fellow who had been seen lurking about the place during the day is suspected as being the thief.

Physicians Cornered!

I suppose there is not in the whole of a physician's experience anything in human suffering which calls forth his sympathy and pity, to such an extent, as to witness the excruciating pains of a poor mortal suffering from the fearful disease of Rheumatism. Heretofore there has been considerable diversity of opinion among medical men as to the true character of this disease; some locating it in the fibrous or muscular tissues of the system, and others viewing it as an acute nervous disorder, but it is now generally admitted to be a disease arising from a poison circulating in the blood, and further it is admitted that rheumatism can never be thoroughly cured without exterminating such poisonous matters from the blood by a constitutional internal remedy. We feel confident that none will be better satisfied and rejoice more than the conscientious physician, who has found out that a true cure for this stubborn disease has been discovered. The following testimony from a Baston business man cannot fail to satisfy all that the

Diamond Rheumatic Cure

is a wonderful Medical Discovery.

Home Testimony.

BOSTON, Jan. 1st, 1875.

PROF. ALPHONSE HILLER:

Dear Sir—I desire to state that for the past three years I have been troubled greatly troubled with rheumatic pains; so severe was the last attack that I was compelled to remain in bed a helpless sufferer, and this is the most hurried season of my business too. A friend brought me two bottles of your valuable medicine, the DIAMOND RHEUMATIC Cure, and with pleasure I state that those two bottles affected a permanent cure upon me. Six months have since passed, and no return of this terrible disease has troubled me; I have on various occasions since recommended the DIAMOND RHEUMATIC CURE to several of my afflicted neighbors, and always with a uniform result—a certain and perfect cure in each case. I am willing to be interviewed and verbally satisfy any fellow sufferer of the truth of this statement.

Yours respectfully,
P. SHEEAN, Merchant Tailor,
88 Sudbury Street.

The discoverer of this medicine has walked the aisles of the hospitals of London and Paris for the last twenty years, making Rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease. For the past year it has been used with perfect success and satisfaction in the hospitals of Montreal, and is recommended by the very best practitioners in that city as a safe, speedy and positive cure of either gout or rheumatism.

In simple cases, sometimes one or two doses suffice. In most chronic cases it is sure to give way by the use of four or five bottles.

This medicine is for sale by all Druggists throughout the United States and Canada. If it happens that your druggist has not got it in stock, ask him to send for it to

CHAIN PUMPS!

THE SUBSCRIBER WOULD RESPECTfully announce to the citizens of Decatur and Macon and adjoining counties, that he has secured the EXCLUSIVE RIGHT to

MANUFACTURE AND SELL

MERRILL & BARTLETT'S

Water-Purifying

Rubber Bucket Chain Pump,

And is prepared to furnish said Chain Pumps on short notice.

The advantages of this Pump over many others are many. The Chain being buttonless, it is much lighter, consequently it is not liable to break, and works much easier. The RUBBER BUCKETS which are attached to the Chain will not wear the Tubing, consequently it will last longer than when Metal Buttons are used. It is, positively, ANTI-FREEZING. It is a positive WATER PURIFIER, as each Bucket is constructed with an AIR CHAMBER, which carries a given quantity of pure air into the water, which immediately diffuses through the entire body of water, purifying and cleaning, and rendering it fit for use.

RUPTURE *A speedy and radical cure for Rupture or hernia, in young or old, guaranteed by the Judson method of treatment. A solid cure or no fee. Call on or write to* Dr. Judson, *705 Chestnut street, St. Louis, Mo.*

Dr. Whittier,

617 St. Charles street, St. Louis, Mo.

A regular graduate of two Medical Colleges, has been longer engaged in the special treatment of all Venereal, Sexual and Chronic Diseases than any other Physician in St. Louis, as city papers show, and all old residents know.

Syphilis, Gonorrhœa, Gleet, Stricture, Orchitis, Hernia, or Rupture, all Urinary Diseases and Syphilitic or mercurial affections of the throat, skin or bones, are treated with unparalleled success, on latest scientific principles. Safely, Privately.

Spermatorrhœa, Sexual Debility and Impotency, as the result of Self-abuse in youth, sexual excesses in maturer years, or other causes, and which produce some of the following effects: nervousness, seminal emissions, debility, dimness of sight, defective memory, pimples on the face, physical decay, aversion to society of females, confusion of ideas, loss of sexual power, etc., rendering marriage improper or unhappy, are permanently cured. Pamphlet (36 pages) relating to the above, sent in sealed envelope, for two postage stamps. Consultation at office or by mail free, and invited, a friendly talk or his opinion costs nothing.

When it is inconvenient to visit the city for treatment, medicines can be sent by express or mail everywhere. Curable cases guaranteed, where doubt exists it is frankly stated. Office hours: 9 A. M. to 7 P. M. Sundays, 12 M. to 1 P. M.

Pamphlet, to any address, for Two Stamps.

MANHOOD All about it, sent by mail for 10 cents.
WOMANHOOD Every woman should read it. 10 cents.

Sent sealed, all three, for 20 Cents.
Manhood and Womanhood in German, both together, illustrated, 45 Cents.

MARRIAGE GUIDE. 260 PAGES. FINE PLATES.

Elegant cloth and gilt binding. Sealed for 50c. Over fifty wonderful pen pictures, true to life; articles on the following subjects: Who may marry, who not, why. Proper age to marry. Who marry first, Manhood, Womanhood, Physical decay. The effects of celibacy and excess. Who should marry; How life and happiness may be increased. The Physiology of Reproduction, and many more. Those married or contemplating marriage should read it.

After a life-long practice, I assert from human as well as moral conviction, it ought to be read by all adult persons, then locked up, not laid around or lost, as it is worthy of re-reading. It contains the cream of medical literature, thoughts gathered in an extensive practice, and worth to any one who will give it a careful perusal, ten times its costs.

Popular Edition, same as above, but paper cover, 260 pages, 25 cents by mail. Cheapest good guide in America. For either address, enclosing amount,
